

Dear Friends,

On behalf of the Krav Maga Federation, I invite you to join us in Israel during the summer of 2008 to train with the legends of Krav Maga. The trip will include training with Grandmaster Haim Zut (Dan 10), Master Instructor Uri Refaeli, Rhon Mizrachi, and other top black belt instructors of Grandmaster Zut's Federation.

In addition to this once in a lifetime training experience, the trip will include visits to Jerusalem, the Sea of Galilee, the Golan Heights, Masada, the Dead Sea and other historic places. Overnight accommodations will be at Kibbutz S'dot Yam, located on the Mediterranean shore, near Caesarea.

**The dates are August 14, 2008 through August 26, 2008.**

This trip is available to all students interested in receiving the highest quality of Krav Maga training, regardless of federation affiliation.
